

## **Crooked Can Brewing Company, Winter Garden FL**

Built upon a passion for craft beer, Crooked Can Brewing Company is a mid-size craft brewery located in downtown Winter Garden Florida. Our goal is to represent a unique image and create a cultural following for a way of life, while producing quality beer batch after batch. Crooked Can Brewing Company was opened in March of 2015 and is the 4<sup>th</sup> largest volume Tap Room in the state of the Florida and growing. We have 3 vessel 15 BBL Premier Stainless system with 14 fermenters ranging between 30-45 BBL's each. We presently produce 8,000 BBL's per year and are looking to hire an enthusiastic, spirited, High Energy, Quality Driven individual to join our team and help to achieve our goals and share our passion.

### **Description Summary**

Crooked Can Brewing Company is hiring a Assistant Brewer to be responsible for all aspects of the brewing process including brewing, fermentation, cellaring, as well as assisting with administrative and organizational duties. This employee must be a hard working, responsible, and self-motivated individual with a passion for craft beer and a desire to continue learning and growing within the industry. The candidate should also be a sociable person who is comfortable occasionally representing the brewery in public. Natural leadership, integrity, loyalty, and a good sense of humor are all factors in who we hire.

### **Job Requirements:**

- Have an established career in and passion for the brewing industry with a minimum of 2-3 years of brewing experience
- Be well organized, detail oriented, has strong analytical skills and can manage complex tasks
- Be driven to maintain a brewery to the highest sanitation and safety standards
- Possess and demonstrate leadership skills, is self-directed and has previously managed other staff
- Have excellent communication skills, and is honest and hard working
- Be extremely organized, detail oriented, and has strong follow through skills
- Display solid time management and discerning prioritization skills

### **Primary Responsibilities:**

- Assist Head Brewer in managing daily operation of brew house and cellars
- Ensure all beers are within the set quality control parameters and help resolve any issues
- Contribute to and drive continual innovation and process improvement
- Verify inventory of brewing related ingredients
- Inform Director of Brewing Operations of issues and the possible resolutions
- Communicate critical information with appropriate departments

- Train brewery personnel
- Follow all company policies as detailed in the employee handbook-attendance, safety, and protocols, etc.
- Assist other departments or perform other tasks as needed

**Requirements & Expectations:**

- Formal brewing education or equivalent brewing experience
- 3 years of brewing experience.
- computer skills helpful
- Ability to work varied shifts
- Be able to repeatedly lift 55 lbs.
- You must thrive working independently and have a positive personality
