

Crooked Can Brewing Company, Winter Garden FL

Built upon a passion for craft beer, Crooked Can Brewing Company is a mid-size craft brewery located in downtown Winter Garden Florida. Our goal is to represent a unique image and create a cultural following for a way of life, while producing quality beer batch after batch. Crooked Can Brewing Company opened in March of 2015 and is the 4th largest Tap Room by volume in the state of the Florida and still growing. We have 3 vessel 15 BBL Premier Stainless system with 14 fermenters ranging between 30-45 BBL's each. We produce 8,000 BBL's per year and are looking to hire an enthusiastic, spirited, High Energy, Quality Driven individual to join our team and help to achieve our goals and share our passion.

Description Summary: Cellar Worker

The Cellar Worker is responsible for all duties involved in the fermentation and packaging of beer while maintaining good manufacturing practices. The Cellar Worker's responsibilities include CIP/sanitation of fermentation and brite beer tanks, transferring finished beer, monitoring the fermentation of beer, yeast management, conditioning beer, carbonating beer to the correct level, keg washing and packaging(kegging). Other duties of the Cellar Worker include cleaning the floors, outsides of tanks, miscellaneous parts, and floor drains. The Cellar Worker should expect to work a minimum of 40 hours per week and up to 10 hours per day, if necessary, depending on the production schedule.
